PREMIER⁺²
Embroidery System

PREMIER+™ 2 EMBROIDERY

The essential tools you need to create your own customized embroideries. Resize, rotate, repeat designs, add lettering and embellish your embroideries with motifs or frames. Change thread colors and see what your design will look like before you stitch it out. Set your next project in motion with the help of PREMIER+™ 2 EMBROIDERY.

Part # 821125096

PREMIER+™ 2 EXTRA

Automatically create embroideries from artwork, filled quilt blocks, and PhotoStitch designs using the built-in Wizards. Use the Project in the Hoop tool to personalize your project and print out the instructions on how to sew it. View your designs with decorations, appliqués and backgrounds. Change colors, adjust and repeat your embroideries. Add lettering and embellishments or create Word Sculpt embroideries with ease. All this available in PREMIER+™ 2 EXTRA

Part # 821124096

PREMIER+™ 2 ULTRA

This top level embroidery software system contains everything: the complete suite of embroidery fonts, wizards and tools including exclusive functions and embellishments techniques. Create or manipulate embroideries or quilt blocks with total control over stitch effects including the new stitch angle and Bezier Tools. PREMIER+™ 2 ULTRA is the ultimate embroidery software system.

Part # 821123096

🌥 mySewnet™
